General Comments
Regular monitoring inspection was observed on this date. Children were waking up from quiet time upon arrival. Diaper changing routine was observed and all appropriate procedures were followed. All children washed their hands prior to having their afternoon snack. Infants are to be supervised at all time during snack time. Time should be managed so that snack time routine does not beginning while some children are still requiring a diaper changes. Please ensure to follow all public health guidelines in regard to sanitizing tables before and after eating. Lysol wipes can be used on tables but need to be followed by an approved cleaner that is food safe. Licensing staff will provide a list outlining these guidelines. Positive behaviour guidance was observed at all times.
