<b>General Comments</b>
<p>A monitoring inspection was conducted today on the child care license.</p> <p>Children were observed in inside play, lunch, nap and the three year olds in outside play.</p> <p>Discussed with educators in infant and Pre K room that outside play must occur each day. This does not necessarily mean going to the infant deck or fenced in area. This can be for a walk as well.</p> <p>Discussed moving the hooks/cubbies from area they are currently in to area outside 3 year old room.</p> <p>Children were observed happy and content in their environments and with their educators.</p>
