General Comments

A monitoring inspection was conducted today.

Discussed books in the Infants, Tots and 2 year old rooms. "Our Youngest Children" support document speaks to Literacy Learning in the Everyday. Discussions were had regarding Indestructible books for this age group.

Educators can refer to Book Making in "Our Youngest Children" support document for ideas regarding making books with young children.

In all rooms children's learning is documented and their creative art experiences are displayed for them to revisit. This is great example of Valuing Children.

Learning is purposely planned for children by:making children's contributions and thinking visible through displays, cultural artifacts, webs, documentation, portfolios, photos, projects, artwork, community and family connection
