Comments:			

<p>General Comments</p> <p>Ratio was respected during the visit. The parent board is in compliance. The material and the equipment in the play area is well arranged and accessible to the children. The employee's files are missing their trainings and qualifications.</p> <p>During the visit I have seen that the interest of the children is important and well known to the educators. The children know their routine very well and the educators surrounds with guidance without taking away their autonomy.</p>
