<p>General Comments</p> <p>The outdoor play area gives different opportunity to the children, they're is a good variety of toys and games for the children to play outside. The programing for the after schoolers is varied and age appropriate, the children's interest is well known to the educator. The children files have some information missing, when the correction is made it will be sent to me. The employee's files have all the required documentations. During my visit I have seen that the orientation of the children is done in a respectful and positive way.</p>
