General Comments
<p>Visit to facility for annual inspection, ratio was respected during visit.</p> <p>-Operator SD check and criminal record check were outdated on file, new copies were sent by email.</p> <p>-Discussion with educator regarding keeping kitchen door locked as building owners keep chemical/toxic products in the kitchen area.</p> <p>-A few children's files missing complete medical practitioner information, recommending files be reviewed and this information be added.</p> <p>-Diaper changing procedure must be posted in bathroom area where diapers are changed.</p> <p>-Facility meets requirements under the Act and regulations. Recommending licensing for another year.</p>
