General Comments

- Visit to the center for an unexpected monitoring inspection
- Ratio was respected during the visit
- The parent is being asked to notify the operator/director the reason why the child is absent, whether it's sickness or another reason.
- When a child who becomes ill, he/she is supervised and separated from the other children. That child is to be picked up within one hour of notification to parents.
- Management of potential illness forms are completed as required, discussion and explanation with the operator on appendix 11 & 12 in the operator's manual.
- Parents are advised when a child has a communicable disease or illness, center does use the notice of illness form (appendix 13, in the operator's manual)
- We also talk about the importance to give all parents the appendix 14-Managing illness in ELC facilities-l/guardian's role.
- Daily routine into the center includes; Outdoor play time at least once every day, when the weather is permitting. Snacks are served at the recognized hours.
- No hot beverage was found in the children's indoor and outdoor play area
- Outdoor play area is maintained safe and free of hazard
- First Aid kit and phone are always found on site

Observations: When arriving at the center children were all playing in the 9 different zones that were set up for them, card playing, dramatic play, reading, drawing, Legos....etc. Children were rotating from one zone to another when they were done playing with the area they were in.
