Order for Compliance	Regulation	Date to be corrected	Date corrected
----------------------	------------	----------------------	----------------

General Comments Visit to facility to complete renewal inspection. Ratio was respected at time of visit. School-aged children had just gotten off the bus upon my arrival. Educators took attendance, after which the children proceeded to play outside. Some children used the play structure, while others played hockey and basketball in the rink. Art supplies were also made available to the children. The facility meets the requirements under the Act and its regulations. Therefore, renewal of the licence is recommended.
