General Comments

The majority of the Covid-19 procedures were followed by staff and the educators during the inspection. However, the Covid-19 posters were posted in the facility but not on the main entrance door. Inspector discussed with the operator that the posters are required to be posted on the main entrance door. The inspector was screened upon entering the facility but daily visitors log was not completed upon entry, The temperature of the inspector was not taken upon entering the facility. The cleaning records were clearly documented throughout the facility.

The inspector observed children engaging in organized activities in various forms throughout the inspection.
