

Early Learning and Childcare Facility Inspection Report

Type of Inspection: Monitoring Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

The Preschool Centre Inc. Facility Name The Preschool Centre on Main St 2 Address Address Address T15 Main Street Fredericton NB E3A 1C6 Name of Early Learning and Childcare Licensing Staff Megan Munden Order for Compliance Regulation Order for Compliance Regulation On today's monitoring visit there were lots of different activities taking place for March Break. In the two's room, the children had paper chef hats and were making their own pizza pasta. They were pouring in their ingredients and stirring. The three year old's had finished some science experiments and were doing centres before lunchtime. The four year old room was doing a disco and neon theme and children were excited to show me the disco light and bright clothing they had on. All three rooms were running very smoothly during my visit and children understand the routine. The furnishings and shelving allow for inviting spaces for the children to play. Rugs, pillows and seating has been positioned to provide a homey feeling to the rooms. Educators were warm and caring towards the children and show a lot of interest in what the children are doing. I observed lunch being served in the four year old room. Lunch today was hash brown casserole, corn, and kiwi.
