General Comments
<ul style="list-style-type: none">- Visit done in the morning for a monitoring inspection.- Ratio was respected during the visit.- During the visit the facility uses positive child guidance.- Toxic products are locked and stored out of reach of the children.- Individual space is provided for diapers, creams and wipes. The space is identified with the child's name.- Observations: 2-year-olds: diaper changing, hand washing and free play. 3–5-year-olds: free play At my departure all groups were going on an outing to the park.- Discussion on inclusion.
