General Comments

- Visit done at the facility in the afternoon for a monitoring inspection.
- Ratio was respected during the visit.
- Positive child guidance was witnessed during the visit.
- The parent notifies the facility if the child will be absent and indicates whether the absence is due to illness or otherwise.
- The facility has a designated rest area. The minimum space between rest equipment is at least 46 centimetres. All nap equipment is washable and non-absorbent.
- Drinking water is provided throughout the day. Food brought from home is labelled with the child's name.
- Learning stories are posted throughout the facility.
- Observations:
Mixed age group: naptime, diaper changing, free play and snack.
4-year-olds and after schooler's: Handwashing and snack time. The educator gives the children choices.
All groups of children wanted to create art with their educators.
- Discussion with the educators concerning professional development hours, parent committee and the exterior playground.
