General Comments

- Visit completed in the morning for a monitoring inspection.
- Ratio was respected during the visit.
- Positive child guidance was witnessed.
- The cleaning supplies are stored in a locked space.
- Incident records are maintained. Parent of the child is informed of reportable incidents as soon as possible and signs the incident report form. Incident reports are maintained in the child's file.
- Children are always supervised when using the washroom. One training seat is provided for children being toilet trained. A platform is provided to allow children to reach regular sized toilets and sinks.
- Individual space is provided for diapers, creams and wipes for each child who is not toilet trained. Diaper changing procedures are posted and the changing area is located 1 metre from a sink
- First aid kit and telephone are accessible on the premises and on each outing.
- Observations:
2-3-year-olds: free play and snack
3-5-year-olds: snack
After schooler's: snack
When I was leaving the children in all groups were preparing to go outside and create art.
- Discussion with the administrator concerning the incident reports.
