<p>General Comments</p> <ul style="list-style-type: none"> - Visit completed at the establishment in the morning for a monitoring inspection. - During the visit ratio was respected. - During the visit 11 child files were verified out of 23. Children's files include consent forms that are signed and dated by a parent or guardian. - Diaper changing station is in the washroom. Each child has an individual storage space for diapers and changing supplies. - The changing table is equipped with a safety strap and covered with a non absorbent surface. It is separated from food preparation areas and is located one metre or less from a sink. Children are always supervised during diaper changing routines. - Outdoor materials are varied and available in sufficient quantity for all children present. - The outdoor play area is maintained in safe conditions. - Observations: <p>Preschool (2–5-year-olds):</p> <p>During the visit, the following routines and activities were observed: parent arrival, free play, snack time, diaper changing, and outdoor play.</p> <p>During free play, the children were engaged in looking at books, building with magnetic blocks, exploring sensory bins, and playing with cars and trucks.</p> - Discussion with the director regarding communicable diseases and provided her with the updated communicable disease posters during the visit.
