

Early Learning and Childcare Facility Inspection Report

Type of Inspection:
Renewal Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

Name of operator Cassel Enterprises Ltd.	Licence Number 2007561	Inspection Date November 22, 2024
Facility Name Hands On Learning Center Riverview		Telephone Number (506) 383-4263
Address 330 Pine Glen Road Riverview NB E1B 1V6		
Name of Early Learning and Childcare Licensing Staff Stephanie Leger		Position Title Inspector

Order for Compliance	Regulation	Date to be corrected	Date corrected
25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (g) whether a child receiving services at the licensed facility has a life-threatening allergy and a description of that allergy.	25(g)	Nov 29, 2024	Nov 22, 2024
Comments: 1 out of 10 child files verified indicated a life-threatening allergy that requires a EpiPen. This allergy was not posted in a visible and prominent location. Head Teacher contacts the parents and the child no longer requires an EpiPen. Head Teacher sends an email to the inspector with the child profile changed by the parents that there are no life-threatening allergies requiring an EpiPen. Deficiency is now compliant			
39(3) Despite paragraph (2)(b), medications administered in cases of anaphylactic shock shall not be stored in a locked space.	39(3)	Nov 29, 2024	Nov 22, 2024
Comments: 1 of the 10 child profiles verified during the renewal inspection indicates that there is a life-threatening allergy requiring an EpiPen. Inspector requests to see the EpiPen and Head Teacher explains there is none on site. Head Teacher contacts the parents immediately. The child no longer has a life-threatening allergy requiring an EpiPen. An email sent to the Inspector with the child's profile changed that there is no longer a life-threatening allergy requiring an EpiPen. Deficiency is now compliant			
40(1) An operator of a licensed facility shall ensure that personal belongings of a child receiving services at the licensed facility that are brought to the licensed facility, including combs, brushes, toothbrushes, towels, washcloths, bedding, pacifiers and soothers, are (a) labelled with the name of the child.	40(1)(a)	Nov 29, 2024	Nov 22, 2024
Comments: 2 of the 7 water bottles verified are missing a label that included the child's name. All personal belongings need to be labelled with the name of the child. Head teacher immediately places a label on both bottles. Deficiency is now compliant			

<p>General Comments</p> <p>During the renewal inspection, the inspector is on site when the afterschool class is present all day because there is no school. Inspector observes children watching a Christmas movie in their pyjamas and playing freely indoors and outdoors. Educator plays a science game with one of the children that had no interest in watching the Christmas movie.</p> <p>The ratio is respected during the inspection.</p>
