Order for Compliance	Regulation	Date to be corrected	Date corrected
28(2) An operator of a licensed facility shall carry out emergency evacuation and fire drills monthly.	28(2)	Jan 07, 2020	Jan 07, 2020
Comments: The last two months of the year did not have recorded fire drills. The record indicates that regular fire drills had been completed for the rest of the year. Please remember to record each of your fire drills.			

**General Comments**

During my inspection I saw positive child guidance by the educators, such as gentle reminders, giving time warnings, positive reinforcement and encouragement. The communication amongst educators, and between educators and children was very respectful. The children appeared to know the routine well and transitions went very smoothly. Everything was put into compliance during my visit and I recommend for licencing.
