Name of Early Learning and Childcare Licensing Staff Troy Williams		Position Title Quality Assurance Monitor	
Order for Compliance	Regulation	Date to be corrected	Date corrected

### General Comments

There were no children present when I first arrived. I reviewed staff, children and administrative records. All were in proper order.  
As the children arrived they followed proper handwashing procedures and then had their snack. Once snack was completed the children got ready for outdoor play time.  
The center was clean and there are ample materials for the children to use.
