<p>General Comments</p> <p>On the day of my visit the children were in the gym. They were involved in various activities such as floor hockey, basket all and "a hot potato" ball game.</p> <p>Activities have been planned for the summer. Each day has a different activity planned such as trips to parks, tie dye, scavenger hunts and water games.</p> <p>Please make sure the parent board is updated with the operators, quality assurance monitor and inspectors name, phone number and email address.</p> <p>During the inspection I noticed signs posted on the doors of two different rooms stating "This room is closed because no one cleaned up." This is not proper child guidance. There should be a more positive , pro-active way to get the message across. I discussed this issue with one of the Educators and the signs were taken down. Please refer to section 8.2 child guidance of the operators manual to ensure proper child guidance procedures are being followed.</p>
