<p>General Comments</p> <p>The inspector is onsite to complete the renewal inspection and observes children returning indoors after morning outdoor play. Each group is engaged in age-appropriate activities. In the toddler room, the current interest is veterinarians and animals; the educator has set up a pretend clinic with various materials and pictures accessible to the children. In the infant room, the theme focuses on Valentine's Day arts and crafts. Learning stories displayed on the walls highlight the variety of activities completed over the past few weeks.</p> <p>The inspector also observes lunchtime, which aligns with the posted monthly menu, as well as the rest period and afternoon indoor free play.</p> <p>The ratio is respected during the renewal inspection.</p>
