Order for Compliance	Regulation	Date to be corrected	Date corrected
10(8) For the purposes of this section, an infant may only be grouped with children of a mixed-age group outside the hours of 8:30 a.m. to 4:30 p.m. and on the condition that the infant is grouped with preschool children and other infants.	10(8)	Oct 07, 2026	Oct 07, 2026
Comments: While taking the ratio, the Quality Assurance Monitor observed an infant who was in the two-year-old classroom to eat lunch. The educator mentioned that the infant was there for an hour to familiarize himself with the classroom for his transition once the child turns 2-years-old. Infants can only be mixed with preschool age children outside of the hours of 8:30AM to 4:30 PM. The infant was returned to the infant classroom. Deficiency is now compliant			
32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (b) arranged on low, open shelves and accessible to the children receiving services at the licensed facility,	32(1)(b)	Oct 06, 2026	Oct 07, 2026
Comments: While conducting the inspection, the Quality Assurance Monitor observed that, in the two infant classrooms, two drawers were taped shut with transparent tape. The art materials were not accessible to the children. This matter has previously been brought to the operator's attention and is now being addressed as a second reminder. Following the Quality Assurance Monitor's request, the transparent tape was removed from the drawers. Deficiency is now compliant.			

General Comments
The Quality Assurance Monitor conducted a follow-up inspection in the morning. The children were observed eating lunch and transitioning to nap time. The Quality Assurance Monitor observed that construction work had begun in the outdoor play area. A second reminder was provided to the operator regarding the requirement to submit an application for change. The deficiency is now compliant.
