General Comments
<p>On the day of my visit the postings were complete with their daily schedules, the menu for the month, the license, programming and other useful parent information provided.</p> <p>Everyone went outside this morning for outside play. Please remind the parents to provide proper warm clothing for the children as the morning was chilly and some of the children under-dressed.</p> <p>The menu is being updated for October and will include heartier foods, chowders casseroles etc. to take into account the colder weather.</p> <p>The program is functioning very well, the children are used to their new routines, transition times were peaceful and the children seemed content.</p>
