General Comments
<p>On the day of my visit Jenny and I reviewed all the Covid protocols and her Operational Plan. I was properly screened upon entry to the center and Jenny has a designated staff person to handle all the Covid related cleaning and sanitizing. The children were al outside this morning and the play areas are separated into their 15 child groupings. The new wooden playhouse/castle/climber has wood chips for cushioning and needs to be raked regularly as the cushioning moves around daily.</p> <p>Jenny and I reviewed programming and the staff have created some lovely learning stories.</p>
