<p><b>General Comments</b></p> <p>On the day of my visit I was properly screened upon entry and all Covid protocols are being followed correctly. The Junior babies were playing in their room and had just created a sensory toy and some art work with bingo dabbers. the room was lovey and the Educator was very engaged and knowledgeable about her babies.</p> <p>The Senior babies went outside to play and they had some beautiful examples of Earth Day crafts. The display of family photos hanging off a branch was beautiful and so child appropriate.</p> <p>The two year olds also went outside and their outside play area has been improved with more learning invitations to come. The centre is looking at rubber matting (cushioned paving) a different surfacing solution for the baby play area.</p> <p>Although the rooms are beautiful and calm everyone needs to look at their stacking and clutter especially over shelves.</p>
