General Comments
<p>On the day of my visit the children had played outdoors in the morning and were playing indoors because of the heat warning in effect for today. We discussed the possibility of having outdoor play for a much briefer amount of time with careful monitoring of the children for heat related issues ie. sprinkler play for 15 minutes, reading in the shade etc.</p> <p>The rooms are very esthetically pleasing and there seems to be a good amount of materials. You can add dress up clothes and dress up materials now, soft furnishings water tables, sand play and rice/sensory bins etc.</p>
