Order for Compliance	Regulation	Date to be corrected	Date corrected
----------------------	------------	----------------------	----------------

<p>General Comments</p> <p>During the visit the children were engaged in a variety of activities such as Mr. Potato Head, building a wooden train track, putting puzzles together, dancing with scarves and playing with fire trucks. Some of rooms had sensory bins set up. One room had a sensory bin with snow and food coloring. Another room had an "Arctic Sensory Bin" which contained cotton balls for snow, blue decorative sand, plastic snowflakes, crystals and plastic arctic animals.</p> <p>There is evidence of planned programming. Children's learning stories and artwork is posted in each room. There are a variety of materials in each room that are stored on low open shelves that are easily accessible to the children.</p> <p>New staff files were reviewed; all contained the required documents.</p> <p>Everything seemed to be running smoothly on the day of the visit.</p>
