Child was also observed creating a beautiful piece of artwork, with white glue, sparkly glue, and tissue paper. Operator was observed showing the child how to make their own sparkly glue. ELC Home had several well-defined learning / play areas - building, arts and crafts, reading, gross motor, and dramatic play, to name a few. All centers were well stocked. Several forms of documentation were observed - photos, learning stories, children's artwork. Positive child guidance techniques were observed.</p>
