General Comments
A Monitoring Inspection was completed this morning. Upon QAM's arrival, children were observed inside, at the doorway, getting their outdoor gear off. Operator stated that the children had just come inside. Operator stated that the children enjoyed their outside play time, and because it was such a nice fall day, that the children were able to enjoy their water table. Operator was observed assisting the children with getting their outdoor gear off. Children were observed during diaper changing and handwashing procedures. Diapering and handwashing procedures were followed. Children were observed during lunch. Children were observed sitting at their table, and operator was observed handing each child their lunches. Operator assisted children when required. While the children ate, operator was observed preparing the room for nap time. Educator stated that the children are presently very interested in music, instruments, books, and play doh.
