General Comments

- Visit at the center for an unannounced monitoring inspection.
- Ratio was respected during the visit.
- Facility uses positive child guidance.
- Indoor play area is maintained safe and clean
- Individual space is provided for diapers, creams and wipes for each child who is not toilet trained.
- Changing surface is equipped with rails or safety straps.
- Children are always supervised during diaper changing.
- Food brought from home is labeled with the child's name and refrigerated or as an ice pack as required.
- Drinking water is provided throughout the day.
- Outdoor play area is maintained safe and free of hazards and has at least 10% shade.
- Outdoor play area material varied and is in sufficient quantity for all children present.
- Daily activities are purposely planned and documented.
- Daily activities provide time and space for and a free choice of play experience, create opportunities for various forms of literacy, to express creativity and interests and to explore the arts and sciences.

Observations: When arriving at the center children were playing outside. They came in changed diapers, use the washroom, and washed their hands. Children then had lunch and got ready for nap time. This morning children were invited to explore with sun flowers, they touched and smelled them and talk about where they grow and how to plant them.
