### General Comments

- Visit done at the center for a monitoring inspection.
- Ratio was respected during the visit.
- Learning stories posted highlights children's recent learning, ongoing learning project on earth worm is also posted in the cubbies room.
- Outside space is well fenced in, it gives children a lot of running space, educators bring materials with them when going outside with the kids.
- During the visit, children were into free play and then transition into a discussion circle, wash their hands and had snacks.
- Educator observed engaged with children at their level providing support and having conversations.
