General Comments

-Visit to center for an unannounced monitoring inspection.
-Ratio was respected.
-The outdoor space offers children the required amount of shades.
-The outdoor space has varied and in sufficient quantity of material for all children present.
-Water is provided to children all day long.
-Food brought from home is labeled with the child's name and refrigerated or has an ice pack as required.
-Outdoor play occurs for at least one hour in each four-hour block of time when most children receiving services are in attendance - weather permitting.
-Children's guidance is done in a respectful and positive way.

Observations: When getting at the center some children were in a challenge of ball throwing, another group was meditating. Once the meditation was done, all children participated in the challenge, which turns out into finals. This morning, educators organized and obstacle courses outside. Documentation of activities done through the summer in posted in the entry space.
