General Comments

- Afternoon visit to the center for a surprised monitoring inspection
- Ratio was respected during the visit
- A first-aid kit and a phone are always accessible on site and on outings.
- During the visit, the outdoor play area is maintained safe and free of hazard
- During the visit, no hot beverage was found in the children's indoor and outdoor play area
- Large trees are offering more than 10% of shade in the outdoor play area
- Outdoor play area consists of more than one surface to permit different types of play. Fenced in area offers mostly grass has a surface, school age kids are allowed to play around the church surroundings which means they have access to pavement and a little gravel.
- Outdoor material is varied and in sufficient quantity for all children present. Large bins of material are taken out to provide play material for the children.
- Children have easy access to an individual space to store their personal belongings, such has their indoor shoes, coats, book bags and change of clothes.
- All employees have a valid first aid certificate
- Pictures and documentation show activities and interest of the children.
- Educators were engaged with children providing support and having conversations.

Observations: When arriving at the center children were doing Zumba, after their session they drew their favorite thing of the day and transitioned to snack. Everybody walked to the library and played in the park this morning.
