Comments: Deficiency is now compliant			

General Comments

Follow up to renewal inspection completed today.
All orders for compliance are now compliant.
Many improvements were noted within the indoor environment. Materials and equipment have been added to interest centers, and cleaning and disinfection of these materials was evident.
Documentation has been posted within the indoor environment related to the children's interests.
Invitations (ex: mini sticks and score board, restaurant, puppet show, open ended art materials) were noted to be set up for the children today. Creative art centers have been replenished and reorganized in an inviting way.
Director shared that new storage equipment will be purchased for the fall. These will be nice additions to the indoor play space.
Recommending for renewal.
