### General Comments

- Visit to facility for a monitoring inspection.
- Ratio was respect during the visit.
- The outdoor space is well maintained, the doorways are cleaned and provide a safe environment for the children to play and explore.
- Medications are locked and inaccessible to children, administration of medications records are evident.
- Individual space is provided for all diaper changing necessities, changing surface is safe and covered with a non-absorbent layer.
- In all rooms, educators were engaged with children in activities.
- Learning stories posted highlights children's recent learning and interests.

### Observations

- In the 15-23 months old room, children were exploring their new sofa, some were exploring oatmeal and magnets into their though trays and the third group were doing arts with sugar cubes and tooth paste.
- In the two year old room, educators were exploring with loose parts and farm animals.
- In the three and four year old room, some children's were playing with playdoh, others were exploring with a mix of cornstarch and water and drawing.
- All rooms are into a literacy challenge, the four and three year old are getting ready for Dr.Seuss's birthday the two's are into languages. Educators were really engaged into the literacy challenge and children's were proud to show me all the project.
