<p>General Comments</p> <ul style="list-style-type: none"> -Morning visit to the learning center for an unexpected monitoring inspection -Ratio was respected during the visit -All staff have all required documentation into their files and a valid First Aid certificate -Guidance of the children is done in a positive, respectful, and constructive way. -Outdoor space provides children with a safe environment to play, create and explore. -All fenced in space provides children with 10% of shades -Material and equipment provided for children in the outside space are varied and sufficient for all children present -Outdoor play area consists of more than one surface to permit different types of play <p>Observations: When arriving at the center children were playing outside. When going into the rooms I saw that in the infant's room that they are exploring with paint, colors and mixing them. Body movement and awareness are being explored in a second infant room. Documentation show's that the two's are into the stages of the caterpillar, and creating memories with parades, water play and meeting truck drivers. The Three's were playing outside and were helping in the garden, exploring with water play and playing with babies in the small house. The four's are getting ready for their graduation party tonight, a group of children were playing with paper planes and exploring on how to make them fly.</p>
