<p>General Comments</p> <ul style="list-style-type: none"> <li>-Morning visit to the establishment for an unexpected monitoring inspection</li> <li>-Ratio was respected during the visit</li> <li>-Guidance of children is done in a respectful and positive way</li> <li>-Each child has an individual space identified with his/her name to store their personal belongings</li> <li>-A First Aid kit and a telephone are always accessible when going on outings and when remaining on the premises.</li> <li>-Cleaning supplies are kept under key and out of reach of the children</li> <li>-In all rooms were diaper changing station is found, individual space is provided for diapers and changing necessities. The changing table is equipped with a safety strap and covered with a non-absorbent layer, it is separated from the food preparation and is located one meter or less from a sink and children are always supervised during diaper changing.</li> <li>-Discussion with the director concerning the change in the regulation regarding hot beverages in classrooms.</li> </ul> <p>Observations: When arriving at the center all children were getting ready to go outside. Within the infant's room' s there was fresh painting project drying, documentation on each child interest, most recent learning, and routine. In the two-year-old room there were road-building projects and paint project, tuff trays were showing character of the "Hickory dickory dock" book, which is s big interest at the moment. In the three-and-four-year-old room's gardening was the big interest, documentation showed the kids harvesting and eating their vegetables. A group of kids were doing a science experiment, and showing how good they are getting at spelling their names.</p>
