<p>General Comments</p> <p>Documentation throughout the facility is evidence of the purposeful program planning that has been taking place throughout the preschool/school year. A number of community partners have visited the children at the facility from various occupations. Furthermore, the children have participated in many community outings to further support their learning.</p> <p>Discussed with educators their awesome commitment surrounding the implementation of the NB Curriculum Framework.</p> <p>Today, the preschool children actively demonstrated their excitement with the upcoming end of year "bash" and graduation. Educators also spoke enthusiastically about what the children have been learning and the upcoming schedule of events.</p> <p>The learning environment is well organized, clean and consists of a large variety of props and materials for the children.</p> <p>The children were observed to engage cooperatively with one another within the interest centers. Educators had invitations for play set up throughout and interacted with the children in a positive, appropriate manner.</p>
