Order for Compliance	Regulation	Date to be corrected	Date corrected
28(3) The premises of a licensed facility shall comply with (a) lighting, ventilation and other general health standards under the Public Health Act.	28(3)(a)	Jul 27, 2020	
Comments: Downstairs: The room is divided to allow for 2 groups of children. While one group was outside, the remaining group was using the other group's space. Each group must remain in their own space to avoid cross-contamination of toys and materials. On Monday of each week, the bubble groups are changing. It is not acceptable to reconfigure groups. Bubble groups must remain the same each week with the exception of accommodating vacations.			
9(1) The child-to-staff ratio is one educator for each of the following groups of children of the same age receiving services at a full-time or part-time early learning and childcare centre: (a) three infants or fewer; (b) five children or fewer who are two years of age; (c) eight children or fewer who are three years of age; (d) ten children or fewer who are four years of age or older, but who are not yet attending school; and (e) 15 school-age children or fewer.	9(1)	Jul 27, 2020	
Comments: Child-to-staff ratio was not met today while staff were taking their lunch.			

<p>General Comments</p> <p>Monitoring Inspection -- COVID-19 Recovery Phase</p> <p>The indoor space has been divided into 4 groups of children (2 groups upstairs, 2 groups downstairs). Recommending adding another strip of blue tape on the floor to ensure a 6' distance is created between groups. Required COVID-19 documents are being completed and a binder has been created to maintain these documents in a very organized manner. Toys, materials and high touch surfaces are being cleaned appropriately.</p> <p>The children have been participating in a number of activities based on their interests, both inside and outside.</p> <p>Recommend posting the COVID-19 laundry protocols in the laundry area.</p> <p>Be sure that the bathrooms are being cleaned between use of different groups of children.</p>

General Comments

Discussed "Group Established Date" and how this is different from the actual date of the daily group log document.
