General Comments
<p>A renewal inspection was conducted on the preschool part of the license today both upstairs and downstairs.</p> <p>Children were observed in a variety of activities: Art, meaningful play, snack, story time, and singing. Purposefully planning and the children's learning is documented in the form of an educators planning book as well as children's portfolios. The school-age group educators have been documenting the children's learning as well.</p> <p>The educators were observed very engaged with the children and having meaningful conversations. The children appeared happy and content in their respective environments and with their educators.</p>
