General Comments A Monitoring Inspection was conducted this afternoon. Upon arrival, the school aged children were arriving from the playground. Upstairs - Children were observed during inside play. Children were observed drawing, coloring, and building. Educators stated that the children are interested in Lego, drawing on the white boards, and making things with clay. Educators stated that the children also enjoy going to Dreamland and the Skate Park. Educator stated that the children will be Tie Dyeing next week. Downstairs - Children were observed during inside play. Children were observed playing with cars and a ramp, painting, building with Lego, and playing with action figurines. Parent Board was observed and all required documentation was present. Updated contact information for QAM to be added. Positive Child Guidance techniques were observed - educators providing choices, educators using positive language, and educators conversing with the children. A conversation was had with Administrator regarding the towel holder in the downstairs bathroom. Administrator noted that a replacement has already been ordered.
