General Comments
<p>A renewal inspection was conducted today.</p> <p>Children were observed in inside play due to the extreme cold weather. The children were observed also during lunch and quiet time.</p> <p>The children's learning environment is set up with a variety of interest centres and materials for the children to interact and engage with.</p> <p>The children's learning has come alive in the form of learning stories, webs and art displayed in each room. Children are learning about "Motion", "Winter", and "Textures".</p> <p>The educators were observed engaged with the children and speaking kindly and respectfully to them in their interactions. The children appeared happy and content in their learning environments and with their educators.</p>
