General Comments
<p>A renewal inspection occurred today.</p> <p>The children were observed during morning snack, indoor free play, morning meeting, outside play, lunch, nap/quiet time and afternoon snack and preparing for outside afternoon play.</p> <p>Recommending that a parent board be placed outside Room 17 as this room is part of the license and the other rooms on this license are located in a separate part of the early learning facility.</p> <p>Update to parent board with Quality Assurance Monitor's information: Robyn Nelson--robyn.nelson@gnb.ca 506-636-1735.</p> <p>Children's learning is documented and displayed throughout each of the learning environments. Webs, pictures, learning stories and photos of the children were observed. A wide variety of natural loose parts was also observed in each of the learning environments with invitations for learning set up for the children.</p> <p>Interactive story time was observed as well. It was also observed children who do not wish to participate in the story time were able to engage in other activities in their rooms.</p> <p>Educators were observed down at the level of the children, engaged in their learning and play. Positive re-direction was also observed.</p>
