<p><b>General Comments</b></p> <p>Children engaged in many different types of play throughout the room. Many wonderful materials set out for the children to explore and enjoy in each interest center. The children are currently interested in space and planets. They are also exploring plants and seeds that they will add to their garden outdoors soon. The learning environment is very well maintained and organized.</p> <p>Many meaningful conversations were observed between the children and their educator. Michelle speaks to the children in a very kind way and asks the children engaging questions about their play.</p> <p>Each child has a collection of photos to document their learning in a portfolio.</p> <p>Update to Parent Board- Britta Garnett, Quality Assurance Monitor, 643-6838</p>
