

## Early Learning and Childcare Facility Inspection Report

Type of Inspection: Monitoring Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

General Comments During today's monitoring inspection, children were engaged in solitary and cooperative play throughout the interest centres. The indoor play environment is set up with a variety of well-organized and open-ended materials to support playful exploration. Children moved freely throughout the play environment as they playe and were encouraged to transport materials throughout the room to support their ideas and play. The educator actively participated in play along side the children, extending their play and learning by asking open-ended questions, listening attentively as they spoke and taking advantage of teachable moments.
