### General Comments

A monitoring inspection occurred today.  
Children were observed during inside play time engaged in playing musical instruments, building with cut pool noodles in the tuff tray and playing with dolls.  
During most of the inspection the children spent time in the outside fenced play area. Inspector observed the children playing with balls, playing in the playhouse, picking cucumbers from the garden and pears from the tree. Children were also observed playing on the balance beam, slide and windchimes.
