General Comments
<p>During today's inspection, children and educators were observed in the indoor play environment and preparing for walks and outdoor play.</p> <p>Environments are inviting and welcoming with a variety of materials and invitations to support children's interests and engagement. Documentation both inside the rooms and in the hallways and entryways values children's learning and interests.</p> <p>Discussed ensuring book shelves have books neatly displayed and in good repair. When books and materials are neatly displayed and in good repair it encourages children to value the materials.</p> <p>Respectful and responsive relationships were observed between educators and children. as they engaged in play and preparing for outdoors.</p>
