General Comments

A renewal inspection occurred today.
The children were observed participating in inside play as well as outside play on this rainy day.
Each of the learning environments on this license has a wide variety of age-appropriate materials for the children to interact and engage with. The children's learning is documented in each room in the form of learning stories, captions, pictures and art.
Educators were observed down at the level of the children engaged in their learning and conversations. Educators were also observed having positive interactions and speaking kindly and appropriately to the children.
Facility is recommended for license renewal, pending the recommendation from Fire.
