Discussed with the Administrators/Team Leaders the outside play area located at the back of the childcare facility. Discussed ensuring that materials are available for the children to interact and engage with and during the inspection the Team Leaders added more materials to this area. Discussed the music wall and repairs required and adding more items to the music wall for the children, Ex. Wooden spoons for the children to use on the music wall to make music on the bowls/muffin tins.

Educators were observed down at the level of the children engaged in their learning, play and conversations during the Monitoring Inspection. Inspector observed the educators using positive child guidance techniques when re-directing behaviours and when speaking to the children.
