43 An operator of a licensed facility shall not permit hot beverages in areas that are occupied by the children receiving services at the licensed facility, including the outdoor play area.	43	Dec 16, 2020	
Comments: Coffee on shelf in preschool room (downstairs). Hot beverages are not permitted in children's play area.			

<p>General Comments</p> <p>Downstairs Preschool Room - only preschool room open on this license today.</p> <p>Children engaged in play this morning both indoors and outdoors. Educators had set up an invitation with jingle bells and magnets. Children were observed interacting with their peers while they explored this invitation.</p> <p>Hand washing routines observed today.</p> <p>It is evident that the educators have been working hard to ensure all COVID-19 guidelines are in place to protect the health and safety of the children in the preschool program.</p> <p>Discussed with educators creating a more inviting dramatic play area that is based on the children's interests. The children are currently interested in playing "house". Recommend adding some real materials to this area that would make this area like home. Examples: Wooden spoons, spatulas, shoes, purses, wallets, baby items, framed family photos, calendar, phone, etc.</p> <p>Preschool Room (upstairs) - in the process of setting up to welcome a new group of children in the new year.</p>
