| Comments: During the monitoring inspection, the Quality Assurance Monitor observed that the emergency exit was blocked with toys. Emergency exits, traffic area and outdoor walk-ways must be kept free from obstructions and hazards. The administrator immediately removed the toys from the emergency exit door. Deficiency is now compliant | | | |

General Comments

The Quality Assurance Monitor is on site for a monitoring inspection. The following elements were verified during the visit:

General Comments

- Child record files and signed consents
- Outdoor play area
- Staff member's files

The outdoor play area is compliant to the ECS Act and regulation.
The child-to-staff ratio is respected.

During the visit, the children played indoors and transitioned to outdoor play.

The Quality Assurance Monitor and the administrator had a discussion regarding designation requirements. All staff members are on track with their 10 hours of professional learning, the quality improvement plan is up to date, and the members of the parent committee are having meetings.
