| Order for Compliance   | Regulation  | Date to be corrected | Date corrected |
|--|-------------|----------------------|----------------|
| 24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (b) child records that include: (v) the child's health history and a copy of the record of immunizations or a copy of an exemption. | 24(1)(b)(v) | Sep 05, 2025         |                |
| Comments: During the review of children's files, the inspector observed that 1 out of 8 files was missing either a copy of the immunization record or a valid exemption. Each child's file must include one of these documents to meet compliance requirements.                            |             |                      |                |
| 47(1) An operator of a licensed facility shall refuse admission to a child if satisfactory proof of the immunizations required by the Public Health Act or the regulations under that Act is not provided.   | 47(1)       | Sep 05, 2025         |                |
| Comments: During the verification of children's files, the inspector observed that 1 out of 8 files was missing either a copy of the immunization record or a valid exemption. All children's files must contain one of these documents prior to the child's entry into the facility.      |             |                      |                |
